

Welcome to our new Head of Membership and Patron Relationship Manager, Karine Desplanches

Karine Desplanches joined the Chamber in November as Head of Membership and Patron Relationship Manager. Karine grew up in London and attended the Lycée Charles de Gaulle. She then returned to France to study at Reims Management School, following the Franco-British programme. Karine subsequently spent 10 years in Paris working in the luxury industry: at Paule Ka, Chanel and Christian Dior Couture. She then joined event agency Profirst, where she spent five years organising events for companies such as L'Oréal DPL and LVMH. Now Karine is back in London for the third time, and we are delighted to welcome her to the Chamber's team.
