

The French Chamber receives Communication Award

London, 10 July, 2014

The French Chamber of Commerce in Great Britain was the proud recipient of the Communication Award at the French Chambers abroad (CCI France International) Annual Seminar that took place in Budapest from 2 to 4 July 2014. The Chamber was selected for this award out of 113 French Chambers thanks to the quality of its publications, most notably its bimonthly *INFO* magazine, which is the only Franco-British business publication in the UK. The jury also recognised the French Chamber's business guide *France on the Move!*, a practical handbook for British people intending to move to France, and its recent Annual Activity Report 2013, which provides an overview of all the Chamber's services, key facts and figures, as well as the outlook for 2014. The Communication Award is one of three awards given each year by CCI France International, the others being Innovation and Best Contribution.
